## 2017 OSHA ON-CALL TELECONFERENCES

MFDA is offering its annual OSHA On-Call training sessions in October with nationally recognized OSHA trainer and funeral director Curtis D. Rostad, CFSP. The 1-hour teleconference allows everyone at your funeral establishment to complete their annual OSHA certification at the same time for one low cost. This session is appropriate for all staff, including Apprentices and Registered Funeral Home Assistants, and it has been submitted for approval to the MA and NH State Boards for 1 CEU credit.

There are three Friday sessions to choose from. The cost for the training session is \$75 per site for members; \$175 per site for non-members. There is no limit to how many people can participate per phone line. Session handouts, CEU form and call-in information will be sent to you once registration is complete. Questions? Call MFDA at 781.335.2031.
