

# The Massachusetts Funeral Directors Association Present ...

## GET READY! JOIN US FOR MAVRIC GO-LIVE CEU SEMINAR!

**November 7, 2024 @ 2 p.m. Via Zoom**

We are excited to invite you to attend an important educational session on MAVRIC, the Commonwealth of Massachusetts's new death registration system. This seminar is a great opportunity for funeral directors to hear about resources and learn additional tips to make your job and the transition easier.

As we approach the go-live date for the MAVRIC system on November 18, we want to make sure you are well informed about the resources and support available, as well as some suggestions about issues to review before the launch.

### **External Data Partner Support Program**

Starting November 18, RVRS will provide a suite of support services designed to assist you with the MAVRIC system. RVRS Representatives will provide you with an overview of these tools and how they can be accessed. We'll also address the important issue of holiday access for these services since MAVRIC will deploy the week before Thanksgiving.

### **Important Steps to Take Before Go Live**

Chris Berg will provide some recommendations and tips to help you before the go-live date. This segment will provide practical advice from a funeral director user who understands the challenges you face in the completion of death records.

### **Certifier Update – Outreach and Ongoing**

RVRS Representatives will provide details on how they are actively engaging and educating pronouncers and medical certifiers through various initiatives. The ultimate goal is to have all online and proficient MAVRIC users.

## MAVRIC GO-LIVE SESSION

**NOVEMBER 7 AT  
2 P.M. VIA ZOOM**

**1 CEU Credit  
for the 2025  
Licensing Year**

### **MFDA Presenter:**

**Christopher Berg**, of Chapman Funerals and Cremations in Wareham, is an MFDA Past President and Chairperson of our RVRS/EDRS Committee. Chris is the state's leading funeral service expert on the EDRS System.

### **Registry of Vital Records and Statistics Presenters:**

**Alex Forman**, Director of the Registration Unit, is a valued member of the RVRS's senior leadership team and works with major stakeholders, statewide data partners, and users of the Electronic Death Registration Module (MAVRIC).

**Julie Warren**, Lead Project Manager, Training and Communication, works closely with business leadership on project activities and strategies. Julie leads all MAVRIC launch communication and training plans.

**Phyllistine Daly-Dixon**, Project Manager, Coms & Training Support. Phyllistine manages relationships with key data partners, including the pronouncer and medical certifier community, while supporting the implementation of the MAVRIC launch communications plan.
